

## Ask Your Child:

- What power words have we learned? How many do YOU remember?
- How many Kelso's choices do we know? Have you used any of them yet? Did it work?
- What was the hearing screening like? (if you don't hear from us, your child has passed!)
- What stories did we "dance" with Miss Jordan? (2 different fairy tales)

## Homework

As we learned about writing sentences, we wrote the steps of how to build a snowman. Do you have any how-to books at your house? How to cook, how to build something, how to make something? Is the order important?

If you have a how-to book to share, we would love for you to bring it in and show us! We might learn how to do something new!

## This Week's Learning Targets!

**Handwriting:** Writing letter B,b

**Sight Word:** he, she, me, be, we

**Reading:** Reading CVC words (consonant, vowel, consonant); attending to punctuation: . ? !

**Writing:** Writing sentences together! (How-To writing)

**Math Concept:** iReady assessment; 2D shapes

**Social Concept:** Kelso's choices are strategies for kids to solve small problems.

This week we learned about:

1. Stop
2. Share and take turns
3. Ignore
4. Walk away
5. Go to another game

## Dates to Remember:

- No School Monday, January 20<sup>th</sup> (Martin Luther King Day)
- Remember that February has two Mondays off:  
Feb 10<sup>th</sup> (teacher PIR)  
Feb 27<sup>th</sup> (President's Day)

Valentine's day is coming-be watching for a class list to come home with helpful tips about making valentine's with Kindergarteners!
