

Ask Your Child:

- What kind of chart do we use to compare two rules? (hint: it uses two circles that overlap) Can you draw it? Can you explain what goes in both circles AND the middle?
- Can you compare an Ocean with a Pond or a Stream? What is the same about them? What is different about them?
- What's a Boss Bear?
- In November, teachers are watching for kids who show gratitude like a boss-how can you show gratitude?
- What reading level are you? (yellow or green). What are you working on to be a reader? (letter sounds or power words)

Please see the attached documents for how we "grade" students. We are using proficiency indicators of 1, 2, 3, 4. Also included is our Title I compact. This document shares what all of our responsibilities are in your child's education!
