

Ask Your Child:

- What special color pages did we add to our color book this week? (blue bubbles, purple crayon)
- How many animal friends that we have met? Do you remember their sounds and signals?
- Can you sing the animal friends song?
- What house are you in? What was it like to spin the big wheel? Do you remember your house signal? (use your hands)
- Can you remember the five body parts that help us be a good listener? What do you do when someone says "Russell bears, give me 5"?
- How can you be a friend? (show kindness, share, help, etc)

Volunteers!

I will be starting with volunteers in our classroom in October. You must be registered with the district and can register on the mcpsmt.org website (under "departments" and "volunteer services"). All volunteer registration is digital this year. Working directly with students will require a background check (for a small fee) and can be paid during this registration process. If this fee is cost prohibiting, please check with Laura in our FRC for assistance!

Folders

Please start the routine of checking your child's folder every day. There will always be finished work for you to enjoy, but there may also be important time-sensitive papers for you!
Remember to send the folder to school EVERY DAY!

Dates to Remember:

- Next week's specials are:
Monday=C
Tuesday=A
Wednesday=B
Thursday=C
Friday=A

- Tuesday, September 17th :
Treasure Box homework (orange paper) is due on!
- Thursday, September 19th: Open House 5:00-7:00
- Friday, September 20th :
Book Orders are due! (coming home on Monday)
